📍 Lagos, Nigeria.

SUMMARY

A diligent, dedicated, and intelligent frontend and WordPress developer with four years of experience in creating maintainable and scalable code. Proficient in tools and technologies like HTML, CSS, JavaScript, React.js, Nextjs, Node.js, and WordPress, I am passionate about delivering high-quality results that align with business objectives. By staying updated with the latest design trends and technologies, I ensure my solutions are modern, effective, and user-focused. My commitment lies in crafting scalable, maintainable applications and websites that drive growth and provide seamless user experiences.

EXPERIENCE
